

The background features a large, faint, 3D-rendered logo consisting of the letters 'K' and 'R' in a stylized font. Surrounding the logo are several large, 3D numbers: '36' at the top left, '1888' on the right side, and '88798' at the bottom left. The entire graphic is rendered in a light yellow or gold color with a slight shadow effect.

The background features a large, semi-transparent 3D graphic of the letters 'K' and 'R' in a bold, sans-serif font. Surrounding these letters are various numbers, including '36' at the top left, '1888' on the right side, and '83.79%' at the bottom left. The overall aesthetic is clean and professional, with a light gray background.

# Goal

**Help small businesses adopt IT  
and utilize its potential to the  
fullest and towards their business  
success.**

The background features a light gray bar chart with several bars of varying heights. Overlaid on the chart are large, 3D-style numbers in a light yellow color. At the top left, the number '36' is prominent. To its right, the number '208' is written vertically. Below '36', the number '188' is written vertically. At the bottom center, the number '83.798' is visible. The word 'KRYPTON' is faintly visible in the background, centered horizontally.

**How?**

**By helping establish their IT.**

**By helping maintain and expand their operations through IT.**

**By doing that at zero to minimal cost.**

## **Why?**

**Because, we tie our success with theirs. And when they succeed, we succeed.**

**Because our long term vision and its success is based on helping them operate multiple facets of their business digitally and at zero to minimal cost to them.**

**How do we plan to do that?**

**In carefully planned stages.**

**As a first step we would like to get their basic IT setup for them and within days which includes their online presence and productivity software!**

**As a next step we would like to setup their operational software.**

**Then we would like to enhance and extend their digital operations to make their business more efficient and profitable via IT.**

**What are we looking for in return?**

**Initially, nothing but the device they currently use to get online and whatever else it takes to get them online!**

**Their enthusiasm and commitment to embrace technology and work with us in the long run and toward forward moment of their business!**

**Willingness to cooperate with us to help them succeed!**

**Thirst and aggression to want to succeed with us.**
